Students with an ACT subscore of 17-18 may take the ALEKS Assessment to test into Math 115, 120, 121, 123, 125, 261, 267.

Price: $15 (includes one unproctored practice test and up to four proctored attempts)
NOTE: The unproctored practice test does NOT count and may be taken anywhere.

Proctors will be available in the JAC Math Lab during the week of April 29 - May 3 and at various times throughout the summer.

For additional information and to schedule your test in the JAC Math Lab visit: http://mathlab.olemiss.edu/aleks/

The ALEKS Placement is only currently available for ACT Math Subscores of 17 or 18, and the equivalent SAT/SATR, and students who have no ACT/SAT/SATR score.
