If you have a student interested in a health profession please refer them to us after orientation advising!

We counsel all UM health professions students on available opportunities for a health care career, and advise students toward a competitive application.

We advise towards undergraduate and professional programs such as but not limited to the following:

PROFESSIONAL PROGRAMS

- Medicine
- Dentistry
- Nursing
- Physical Therapy
- Occupational Therapy
- Optometry
- Veterinary
- Medicine
- Physician Assistant

2+/3+ PROGRAMS

- Nursing
- Dental Hygiene
- Radiologic Sciences
- Medical Laboratory Science
- Health Informatics and Information Management
- Histotechnology
- Medical Technology *In partnership with NMMC-Tupelo*
