## About

Welcome to GivePulse – Our official university platform for community engagement!

GivePulse is your direct connection between our campus and our broader community. It is a powerful vehicle to identify volunteer opportunities, supply drives, fundraisers, and other opportunities to engage. It also allows you to see your collective impact and see how individual efforts make a difference in our world.

GivePulse is administered through the Center for Community Engagement, which serves to advance community-engaged research, teaching, service, and scholarship at the university. Learn more on our website at <https://dce.olemiss.edu/>.

## About

**Volunteers work together to build standard list of groceries into grocery carts for distribution to Pantry Clients. Pantry clients remain in their cars and volunteers push built grocery carts out to cars. Groceries are unloaded into vehicles then carts are returned and rebuilt for another client. Typically we provide groceries to 70 - 95 clients on Wednesday and 50 - 65 clients on Thursday.**

**Once all clients are served, volunteers restock and prepare shelves for the next day event. Please park across the street in Oxford Park Commission parking lot. We have limited Pantry parking on Wed & Thurs. All Parking spaces at Pantry are needed for our clients.**

**Pantry NO longer requires masks, Please do not come to the Pantry if you are ill or have been someone ill.**

**Positions** 72 Remaining

**Registration** Registration Opened

**Registration Closes** Any time before each end date or when space runs out.

# Volunteer History

The screenshot shows the top navigation bar with the following items: English (dropdown), Explore, Manage (with a red notification badge containing the number 1248), My Activity (dropdown), and Hi Avery (with a profile picture and dropdown arrow). Below the navigation bar, the text 'Community it' is displayed in a large, dark blue font. A green button labeled 'Add Impact' is positioned below the text. Underneath the button, there are two user profile cards. The first card features a photo of a cat wearing glasses, the name 'Avery McNeece', the title 'Administrator', and a 'Contact' button with an envelope icon. The second card shows a partial profile for 'Dr. Sweet'. A white dropdown menu is open from the 'Hi Avery' profile, listing the following options: Dashboard, Profile, Account, Add Impact, Summary (highlighted with a red arrow), Switch to New View, Support, and Log Out.

Students are able to access a summary of the events they've participate in by selecting "Summary"
