

## The University of Mississippi ~ Registration Advising Worksheet

**Student Name:** \_\_\_\_\_ **Student ID:** \_\_\_\_\_

The University provides an academic advising system which requires each student to consult with an academic advisor prior to each registration period. After developing a schedule with your advisor, your advisor will have your advisor hold lifted. You will then be able to book classes. The students bear the ultimate responsibility for making appropriate choices when scheduling classes, including schedule changes made during the drop-add period. The system will NOT allow a student to book a course if any pre-requisites or co-requisites have not been met.

**Registration Instructions:**

Go to the registration page at <http://www.olemiss.edu/registration> in the myOleMiss portal. Follow the instructions carefully and be sure that you close your browser when finished so that no one else may have access to your schedule.
